

GREAT AMERICAN ECLIPSE

The Sign of All Time

Considering "[X marks the spot](#)" as illustrated above, one could view the "New World" with the hidden treasure of time, which gets discovered where God draws an X sign on "the earth" for the year 2024. As noted, "400" relates to "sign" of the sun, and holds the value for "harvest," "heaven," "judge," "year," "unto glory" and the last Hebrew letter tav (cross). The first letter alpha plus tav equals [401](#), which also values "Sign." This is the key hidden Hebrew word that's un-translated to English in the very center of the first creation verse of the bible.

<i>"Sign"</i>						
הָאָרֶץ	וְאֵת	הַשָּׁמַיִם	אֵת	אֱלֹהִים	בָּרָא	בְּרֵאשִׁית
the earth	and	the heaven	(untranslated)	God	created	In the beginning
296	407	395	401	86	203	913
↑	↑	↑				

In other words, because the number 401 is included in its total value 2701, it would be perfectly accurate to translate Genesis 1:1 as: "In the beginning God created **the signs of the heaven and the earth**," which is clearly collaborated by the declaration of *Psalms 19, the 19th book* of the bible. Based upon the collective evidence of faith and patience, it's safe to conclude that God had marked the date of His return from the very beginning.

From Genesis 1:1, the sum of the hidden "sign" + "and" + "the earth" = **1104** (401 + 407 + 296). "[1104](#)" holds the value for "God the Son" ("The Son of man" [3030](#)), which is linked to *Psalms 110:4*

*The LORD hath sworn, and will not repent, Thou [art] a priest for ever **after the order of Melchizedek.*** ([1010](#) Hebrew & [2020](#) Greek) {*Psalms 110:4*} = **1104**

...Summary...

The best way to understand a matter is to consider its origin. For example, to appreciate aerodynamics for flying an airplane, it's plausible to start with the design of the Wright brothers at the start of the 20th century. When people first meet, it's common to discuss where each party came from. So too, with the *Word*, the "beginning" verse (*Gen 1:1*) of scripture happens to be a condensed prologue to God's salvation program, the essential theme of the entire bible.

As Daniel 12 suggests that in the end "knowledge shall be increased;" in the last days, we now find that God points to the end by clearly "speaking in numbers" in the first verse of the bible. By adding the first and last words of Genesis 1:1 (913+ 296 = 1209), we get exactly 1/3 the value of John 1:1 (3 x 1209 =3627), which underscores the "Word" at the beginning, and is three times [403](#), a reflection of the "salvation" to come. Serving as a parallel of the promise land, America's signature year 1492 (2701 - 1209) is the difference between the full value (2701) of the first verse and its first and last words combined (1209). To underscore the point, 1492 is also four times divisible of the value for "Word" ([373](#) = 1492 ÷ 4).
