**Daily prayer for the month of November**

*I declare success and favor in all my endeavors throughout November.*  
*I declare that God's wisdom will guide my decisions this month.*  
*I declare that God's purpose for my life will manifest this month.*  
*I declare that joy and gratitude will fill my heart each day of November.*

*God is good  
all the time:  
all the time  
God is good!*

*It is incredibly rewarding for a teacher to see or hear that glimmer of understanding in a student, especially in a student who has failed to comprehend earlier lessons. Scribes had consistently failed to understand Jesus. They were more concerned about keeping Sabbath practices and eating with clean hands than about doing good for others. But today we meet a scribe who, when told that the greatest of all commandments is to love God with our whole self and to love our neighbor as ourself, immediately points out that these are worth more than all the offerings made in the temple. Jesus, seeing that he "got it," assures him, "You are not far from the kingdom of God" (Mark 12:34). We just honored the saints, whom we believe are in God's kingdom. This is our goal as well. Today we are reminded of the means to that goal. The love and care that we have for ourselves must be turned outward, toward God and toward neighbor. This sacrifice—not one of burnt offerings, but the selfless one Jesus modeled for us on the cross—is the sacrifice Jesus calls us to make.*

*How will you show that you too understand the greatest commandment?*

**Help to stop CI-128**  
**Shareable Video Testimonial - Advocate for Life**

As an advocate for life and head of Abort Ignorance Montana, Tanaia clearly articulates the truth about CI-128.

- CI-128 would expand late-term abortion of babies who can feel pain and who can survive outside the womb.
- Late-term abortion is not a solution to medical emergencies as proponents of CI-128 often believe. Emergency C-Section procedures are available that give late-term babies a chance at life.
- CI-128 is advertised as freedom from government overreach, but it puts the government between parents and their minor children who seek abortion. The current parental notification law would be unconstitutional under CI-128 and place young girls at risk.

These facts are not well-known. Please share Tanaia's message as we pray, fast, and defend the sanctity of unborn life and the safety and dignity of mothers and families. You will find the Bishops' letter, an updated Fact Sheet and more shareable video testimonials at the QR code or at <https://mcc-sa.org>.
