Marriage Saving – the Weekend Phase – During the weekend phase of Retrouvaille a series of presentations are given by a team of three couples and a priest. The team presents a technique of communication that enables you to take a good look at most areas of your relationship. After each presentation, you have time in the privacy of your room to discuss the previous presentation. Retrouvaille is for any couple who would like to rediscover their marriage and improve communication. Our next program begins October 18th . For more information about an upcoming Retrouvaille Weekend program for couples, contact registration team: at 1-800-470-2230 or visit www.HelpOurMarriage.com Not counseling or group therapy. CI-128, a dangerous abortion initiative, is being falsely promoted as a citizen-led effort to “keep the government out of our personal lives” and protect “women’s healthcare decisions.” However, beneath these slogans lies a troubling reality—CI-128 is designed to dismantle pro-life efforts in Montana by rendering abortion regulations—past, present, and future—unconstitutional. Out-of-state interests are pouring millions of dollars into Montana to push this agenda, with no mention in the media of its true impact on our state.

When voters take a closer look at CI-128, they quickly realize the text is misleading and dangerous. Through the careful use of vague and undefined terms, it would revoke parental notification of abortion for girls under 16 and allow the termination of unborn babies well beyond fetal viability. This initiative isn’t about protecting rights—it’s about stripping away current and future safeguards.

Help defeat CI-128. Share the truth about its deceptive language, out-of-state funding, and the loss of crucial protections like parental notification and post-viability safeguards. Share the videos, full text, and fact sheet found at the QR code and at <https://mcc-sa.org>
