Montana Catholics For Life

For Babies For Mothers For Families

**"With great openness and courage, we need to question how widespread is the culture of life today
among individual Christians, families, groups and communities in our Dioceses. With equal clarity and
determination we must identify the steps we are called to take in order to serve life in all its truth."**
—Pope St. John Paull II, Evangelium vitae (The Gospel of Life)

As petition signature verification takes place, we continue to pray for the defeat of CI-128, the dangerous initiative
that seeks to enshrine a right to abortion above other basic human rights in the Montana State Constitution. Matthew
Brower, director of the Montana Catholic Conference, in an article published in the June 23rd edition of the Helena
Independent Record, clearly outlined how CI-128 would impose a new legal standard of
"absolute autonomy" around abortion.

Our Montana Bishops have issued a call to prayerful action in defense of life in Montana. In response,
let us pray, study, reflect, and boldly share the beauty of our Catholic understanding that the infinite dignity of
life is sacred and that unborn children have a right to live. Share the message that a new life is not a problem
solved by abortion, but each new life is a gift to mothers, children, families and all of society.

Read Matthew Brower's article and find many more life-affirming resources at MontanaCC.org
or scan the QR code below.

Join our Bishops as we stand for every child's right to life, the dignity of each mother,
and the sanctity of the family.
