Montana Catholics For Life

For Babies For Mothers For Families

Family is the domestic church, the first and best place for children to learn to live out the great
dignity with which each person is created. Families should be encouraged to stand by each other
throughout life. They are the foundation of a strong and healthy society. With loving support, families
understand and persevere through life's challenges and know that a baby, even when unexpected, does
not prevent a mother from living a fulfilling and happy life.

Parents have a right to know when their child needs their support, especially
when abortion is concerned. CI-128 would eliminate parental notification of
abortion that is currently required in Montana, effectively shutting parents out when a young
mother needs her family most, and when a baby's life is at risk.

Removal of parental notification leaves an underage mother isolated and vulnerable to any
person who would pressure her to have an abortion. This opens the door for coercion,
exploitation, human trafficking, and other crimes. Families are vital to the lives of their
children and deserve better. Please continue to pray and spread the word. Encourage people
of goodwill to decline to sign the petition to place CI-128 on the November ballot.

Join our Bishops as we stand for every child's right to life, the dignity of
each mother, and the sanctity of the family.

Summer Blessing for Families
May we make our homes places of
relaxation, joy, love, peace and safety.
May we be generous and considerate,
not thinking only about ourselves, but helping
others enjoy the blessings of the summertime.
Lord God, Creator of all things, guide our steps
and strengthen our hearts during these months
of summer and vacation days.
Grant us refreshment of mind and body.
May we constantly strive to make a meaningful
difference in the lives of our loved ones and in
the world around us as we enjoy the warm days
of summertime.
