

Fortune Sea, LLC
1529 Homer Spit Rd Suite 4, Homer AK 99603

“I have worked with Amy Woodruff in and around the Port of Homer, Alaska for years. She has helped Fortune Sea with vessel support, moorage issues, drydocking, and the related policies. Amy is smart and resourceful and has a broad understanding of both the public process and private enterprise. Through their partnership in Shoreline, Amy and Tyson bring a potent team to maritime project management.”
