

**Fortune Sea, LLC**  
**1529 Homer Spit Rd Suite 4, Homer AK 99603**

“Over the last seven years, Tyson Alward has managed or consulted on projects involving most of the vessels in our fleet. I expect that relationship to continue as Shoreline grows its customer base and expands the opportunities for vessel construction projects in Homer, Alaska. I personally recommend Shoreline to anyone with a shipyard or maritime project requiring comprehensive management of CFR’s, regulatory agencies, and Tradesmen.”

Ian Pitzman

Fleet Manager for Fortune Sea, llc
