Objective

Over the past 17+ years, I have established myself as a television producer, freelancing for premiere Arab and domestic broadcast companies. While rewarding, I am ready for new challenges and opportunities, and with a great deal of soul searching, I have identified the hospitality industry as one that would be most fulfilling to me. I come to you with: Record of accomplishment in delivering creative projects on time and within budget, following through from initial conception and development, to detailed planning and execution, final delivery. Achievement negotiating and securing contracts for projects, directed staffing, budgeting, scheduling, purchasing, and logistics.

Besides, I'm a Filmmaker, Editor and animator with 15 years of experience in the academic field..
