CELEBRATE FOREVER AT RAMULOSE RIDGE

At Ramulose Ridge Vineyards, we invite you to celebrate your special day in a place where the beauty of the Blue Ridge Mountain meets the timeless charm of a working vineyard estate.

Surrounded by rolling hills and stately vineyard rows, our winery offers an unforgettable backdrop for weddings filled with authenticity, romance, and natural elegance.

With our on-site winery, your celebration is complemented by estate-crafted wines that highlight the character and flavor of the land around you. Our location offers easy access to major highways and nearby lodging, making travel simple for guests while preserving the serene, tucked-away feeling of a private destination.

Couples also have the opportunity to create meaningful touches with custom wedding favors from our farm shop, bringing the essence of Virginia Farming to each guest — a true “farm to family” experience.

Whether you envision a quiet, intimate gathering or a full-day celebration across the property, Ramulose Ridge Virginia provides a peaceful, bucolic setting where the world slows down, and love takes center stage.

OVERVIEW

Packages: We offer two wedding packages; our Vineyard Vows package is designed for small receptions up to 30 people and our Vineyard Estate package designed for receptions up to 100 people.

Preferred Vendors: We have a list of vendors we have worked with in the past that we are happy to recommend.

Rehearsal dinners/welcome parties: If you are interested in hosting your rehearsal dinner or a welcome party with us the day before your event, we can work with you to plan that for a modest fee.

Farm to Family Wedding Favors/Events: We can craft custom wedding favors for you to give your guests made from products that grow right on our farm. We can also do tours and/or guided tastings if that is something you would like to add as an event before or after the wedding. It can make for a fun and innovative welcome party or rehearsal dinner event, especially for guests who are traveling from out of town. We can discuss these options during our consultation.

IMPORTANT DETAILS FOR ALL WEDDINGS

Payment:

- A 50% non-refundable deposit and signed contract due at time of booking to reserve date.
- The remaining balance is due 30 days before your event.
- This includes wine purchases, event gratuity and trash/cleanup deposit and proof of insurance policy.

Alcohol:

- All wine for the event must be purchased from our estate winery.
- Beer is permitted for certain packages, but you must acquire a one-day ABC license to do that (we can provide that information).
- It is our typical policy that our tasting room bartenders are responsible for pouring all beer and wine.
- If you are interested in other arrangements for alcohol at your event, we can discuss that during the consultation.
 - Ramulose Ridge follows all Virginia ABC laws and regulations. Please Advise your guests to bring their valid photo ID if they wished to be served alcohol, just like they would at a bar or restaurant.

Bridal Suite:

- Access to the Bridal Suite is included for the morning of the wedding for our **Vineyard Vows package**.
- Access to the Bridal Suite for 3 days, and two nights is included for our **Vineyard Estate Package**. For example, a Saturday wedding involved access to the Bridal Suite starting at 3:00 pm Friday and ending Sunday by 11:00am. Perfect for the bride to stay overnight at the venue and have the full morning on site to get ready. The suite remains available the night of the wedding for the newly married couple to stay on site if they choose.

Groom's Quarters:

- Available only for the Vineyard Estate package, the groom's quarters give the groom and friends a place to relax and enjoy during the hours leading up to the wedding, while being safely on-site. No worries about traffic or delays!

Ceremony site:

- We have multiple options for ceremony sites, and we will specify the one you would like in the contract. Most of them are outdoor sites and in the event of bad weather you might have to use a backup site. This is the case with any outdoor venue unless you want to rent an event tent for the ceremony site.

Reception site:

- Our main tasting room is available for the Vineyard Estate package while our cellar-level tasting room is available for our Vineyard Vows package.

Event Timing:

- Entry to the site is specified by the wedding package for set up of the event and will be detailed in the contract.
- All guests must depart from the venue grounds no later than 10pm.

Trash/Cleanup:

- Guests and/or their vendors are responsible for all trash removal and cleanup from the site. There is a \$500 refundable clean up deposit that will be refunded within 7 days of the event pending successful clean up and trash removal by the designated time.

Ceremony Rehearsal:

- Rehearsals for ceremony are typically the night before and usually an hour. Specifics are outlined for each package.
 - For an additional fee, couples can book our tasting room/pavilion and bring in an outside caterer for a rehearsal dinner, in addition to the included ceremony rehearsal itself.

Vendors:

- Outside vendors for tables, chairs, linens, catering, music, floral etc. are permitted.
- We do require a list of all vendors 30 days prior to the event.
- We strongly encourage guests to make sure the vendor either has prior experience working at our site or that they contact us 30 days before the event via email to have any questions answered.
- We do have a list of preferred vendors, who we can recommend.

Day of wedding coordinator:

- A Day of wedding coordinator is strongly recommended; we speak from our own experience and the experience of hosting multiple weddings.
 - If a couple chooses not to have one, then a waiver signed by the couple is required, in addition to a designated point of contact for the event day.

Insurance:

- A day of insurance policy is required with details regarding coverage and named parties included in the wedding contract. These typically cost \$75-\$300 depending on the size of your event.

Parking, Transportation and getting around the Farm:

- Parking is provided for all guests, but please be aware we are a farm. Most of our interior roads are gravel and the parking area is grass.
- Likewise, most of the walkways are a combination of gravel and grass so please have your guest plan accordingly.
- Offering shuttle services from the hotel where you have a room block is a nice touch for your guest and we can recommend vendors for this.

Bathrooms:

- Venue rental packages include the use of our two bathrooms in the winery tasting room.

General site information:

- We cherish the opportunity to host you on your special day and assure you the site will be looking at its best.
- However, there are many elements of natural beauty that make our farm special and not all of them we have control over. Weather can cause leaves to drop or blossoms to open earlier than expected. Rain can fall and wind can blow. Cold snaps and heatwaves are always a possibility in Virginia. You must be prepared to be reasonable when hosting a semi-outdoor wedding at a farm.
- We are a working farm so certain elements of farm work are to be expected.
