

A male cyclist wearing a dark helmet, sunglasses, and a long-sleeved grey shirt is riding a gravel bike on a dirt path. The bike has a water bottle in the front rack and Schwalbe tires. The background shows a coastal landscape with the ocean and a clear blue sky. The text 'GRAVEL CROSS' is overlaid in large, white, bold letters.

GRAVEL CROSS

BEST USE

Schwalbe's decades of experience from road bike and MTB tire development combines in the Schwalbe G-One gravel tire line. Right off the bat, Amity Rockwell won the unofficial world championship, the Unbound in the USA, on the G-One Allround in 2019. The different variants of Schwalbe gravel tires leave nothing to be desired, whether for adventurers, bikepackers or lactate junkies. Each and everyone finds their perfect tire. Just GET THERE.
