PERFORM IN THE 2022 MACY'S THANKSGIVING DAY PARADE

A vibrant, high-angle photograph of Times Square in New York City. The scene is filled with tall, modern skyscrapers and older buildings. The facades are covered in large, colorful billboards and advertisements. In the foreground, a red double-decker bus is visible on the left, and many pedestrians are walking on the sidewalks. The overall atmosphere is one of a bustling, iconic urban environment.

“THIS PARADE IS AN INSTITUTION.”

The first time I walked down the Parade route, and you're looking up at the sky, and you're seeing people looking down at you from buildings and clapping and so excited to see you in the Parade, that's when I went "Oh My God am I really a part of this?!" That was the moment for me, that's when I knew I wanted to keep doing this as long as I can. And this is my 16th year. It's selfish, for me I get to see all my friends from all over and catch up once a year, and share this great city with a new bunch of kids and see the wonder and excitement in their eyes. It's like the first time every time. Spirit of America staff is a second family, we all love doing this every year, providing the opportunity for the kids to have this experience.

SOA'S MIKE MILLER HISTORY

1986

Mike Miller secures first ever opportunity for dancers to perform in the Macy's Thanksgiving Day parade

301 Dance drill team officers from across the country, representing NCA Superstar, performed in the 60th Anniversary Macy's Thanksgiving Day Parade.

1989

NCA Cheerleaders were added and they "saved the parade"

Miller's second production added for cheerleaders. That year it snowed and many parade volunteers were unable to attend due to weather. Parade director Jean McFaddin said the cheerleaders "saved the parade" that year as NCA cheerleaders stepped in as balloon handlers. Mike Miller was then awarded the Macy's Rolle Award for outstanding parade contributions.

1994, 1997

Mike Miller awarded "The Directors Award"

2007

Mike Miller awarded The Macy's Special Achievement Award granting his dancers and cheerleaders the only permanent performance in the parade besides santa claus and the world famous Rockettes. A month later he passed away. During his lifetime he provided a once-in-a-lifetime opportunity for over 22,000 performers. We are continuing his magic!
