

DIOCESAN DIRECTORY

“COR ET ANIMA UNA” (ONE HEART AND SOUL)

taken from the Acts of the Apostles 4:32

(“Now the whole group of those who believed were of one heart and soul...”), is a description of the young Christian community. It is also the expression of our faith, hope, and love as a young local Church setting out anew.

**DIOCESE OF
CORNER BROOK &
LABRADOR**

As of February 2024

The Coat of Arms of the Diocese of Corner Brook and Labrador

The mitre is a traditional symbol identifying the Arms as those of a diocese.

The blue and green colours are found in abundance throughout our diocese in the sky and water, forests, and valleys. Silver (white) and gold colours are also lavish in snow and precious minerals.

The rising sun represents the primary focus of our faith - the Risen Son of God, Jesus Christ. The rising sun also represents our location in the Eastern region of Canada, where the sun rises first every day.

Water represents our new life in Christ through the waters of Baptism. Water is the pre-eminent symbol of the life of the Church. Water is also the predominant element in both Newfoundland and Labrador. We are nourished and refreshed by the waters of the ocean, lakes, and rivers of our diocese.

The silver (white) mountains represent God's holy mountain, upon which Moses spoke to the Lord and from which St. John saw the holy city Jerusalem "coming down out of heaven from God" - our great hope. There are spectacular mountain ranges on the west coast of Newfoundland and throughout Labrador which, like the forest and the water, provide a livelihood for many of our faithful parishioners.

And the congregation of those who believed were of one heart and soul; and not one of them claimed that anything belonging to him was his own, but all things were common property to them.

Acts 4:32.
