

# **ISBVI and ISD Co-Location Campus Town Hall**

# Agenda

1. What's been done to-date
2. Where are we now
3. Schematic Design Review

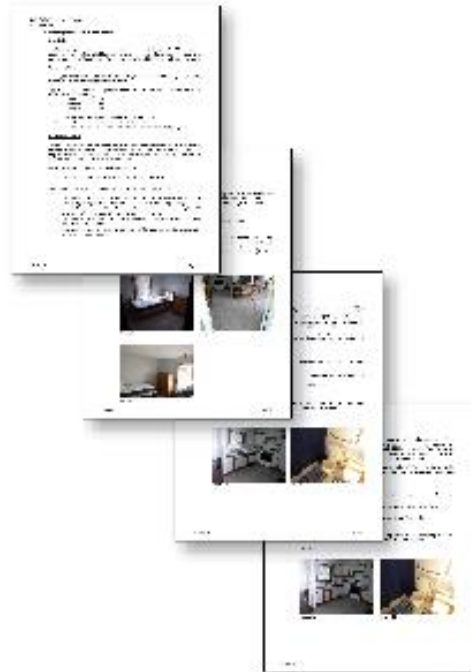

**01.**  
WHAT'S BEEN DONE TO-DATE

---

# What's been done to-date:

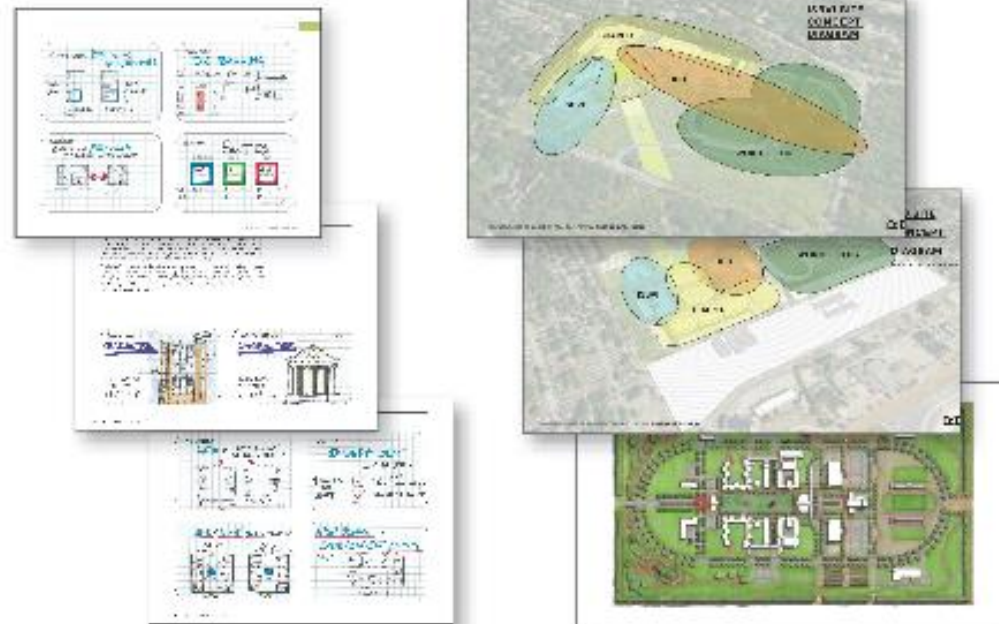

## 2019

- Capitol Needs Assessment of each campus (ISBVI & ISD)

## 2020

- Feasibility study of an ISBVI & ISD Co-Location Campus outside of the city limits
- Feasibility study of using either existing school campus as the ISBVI & ISD Co-Location Campus
- ISBVI is selected as the Co-Location Campus
- Activities
  - **Meetings with each school to determine the number of buildings and area needed**
  - Visiting and studying various sites outside of I-465

## 2021

## 2022

- Program Verification and Framework Plan Design
- Activities
  - **Meetings with each School Administration**
  - **Focus Groups with School staff, faculty, and students**
  - **Community Town Halls**
    - Alumni
    - Parents
    - Neighbors
    - Community Alliances

## 2023

- Schematic Design
- Activities
  - **Meetings with each School Administration**
  - Precedent field trips
  - Surveys
  - Research and studies

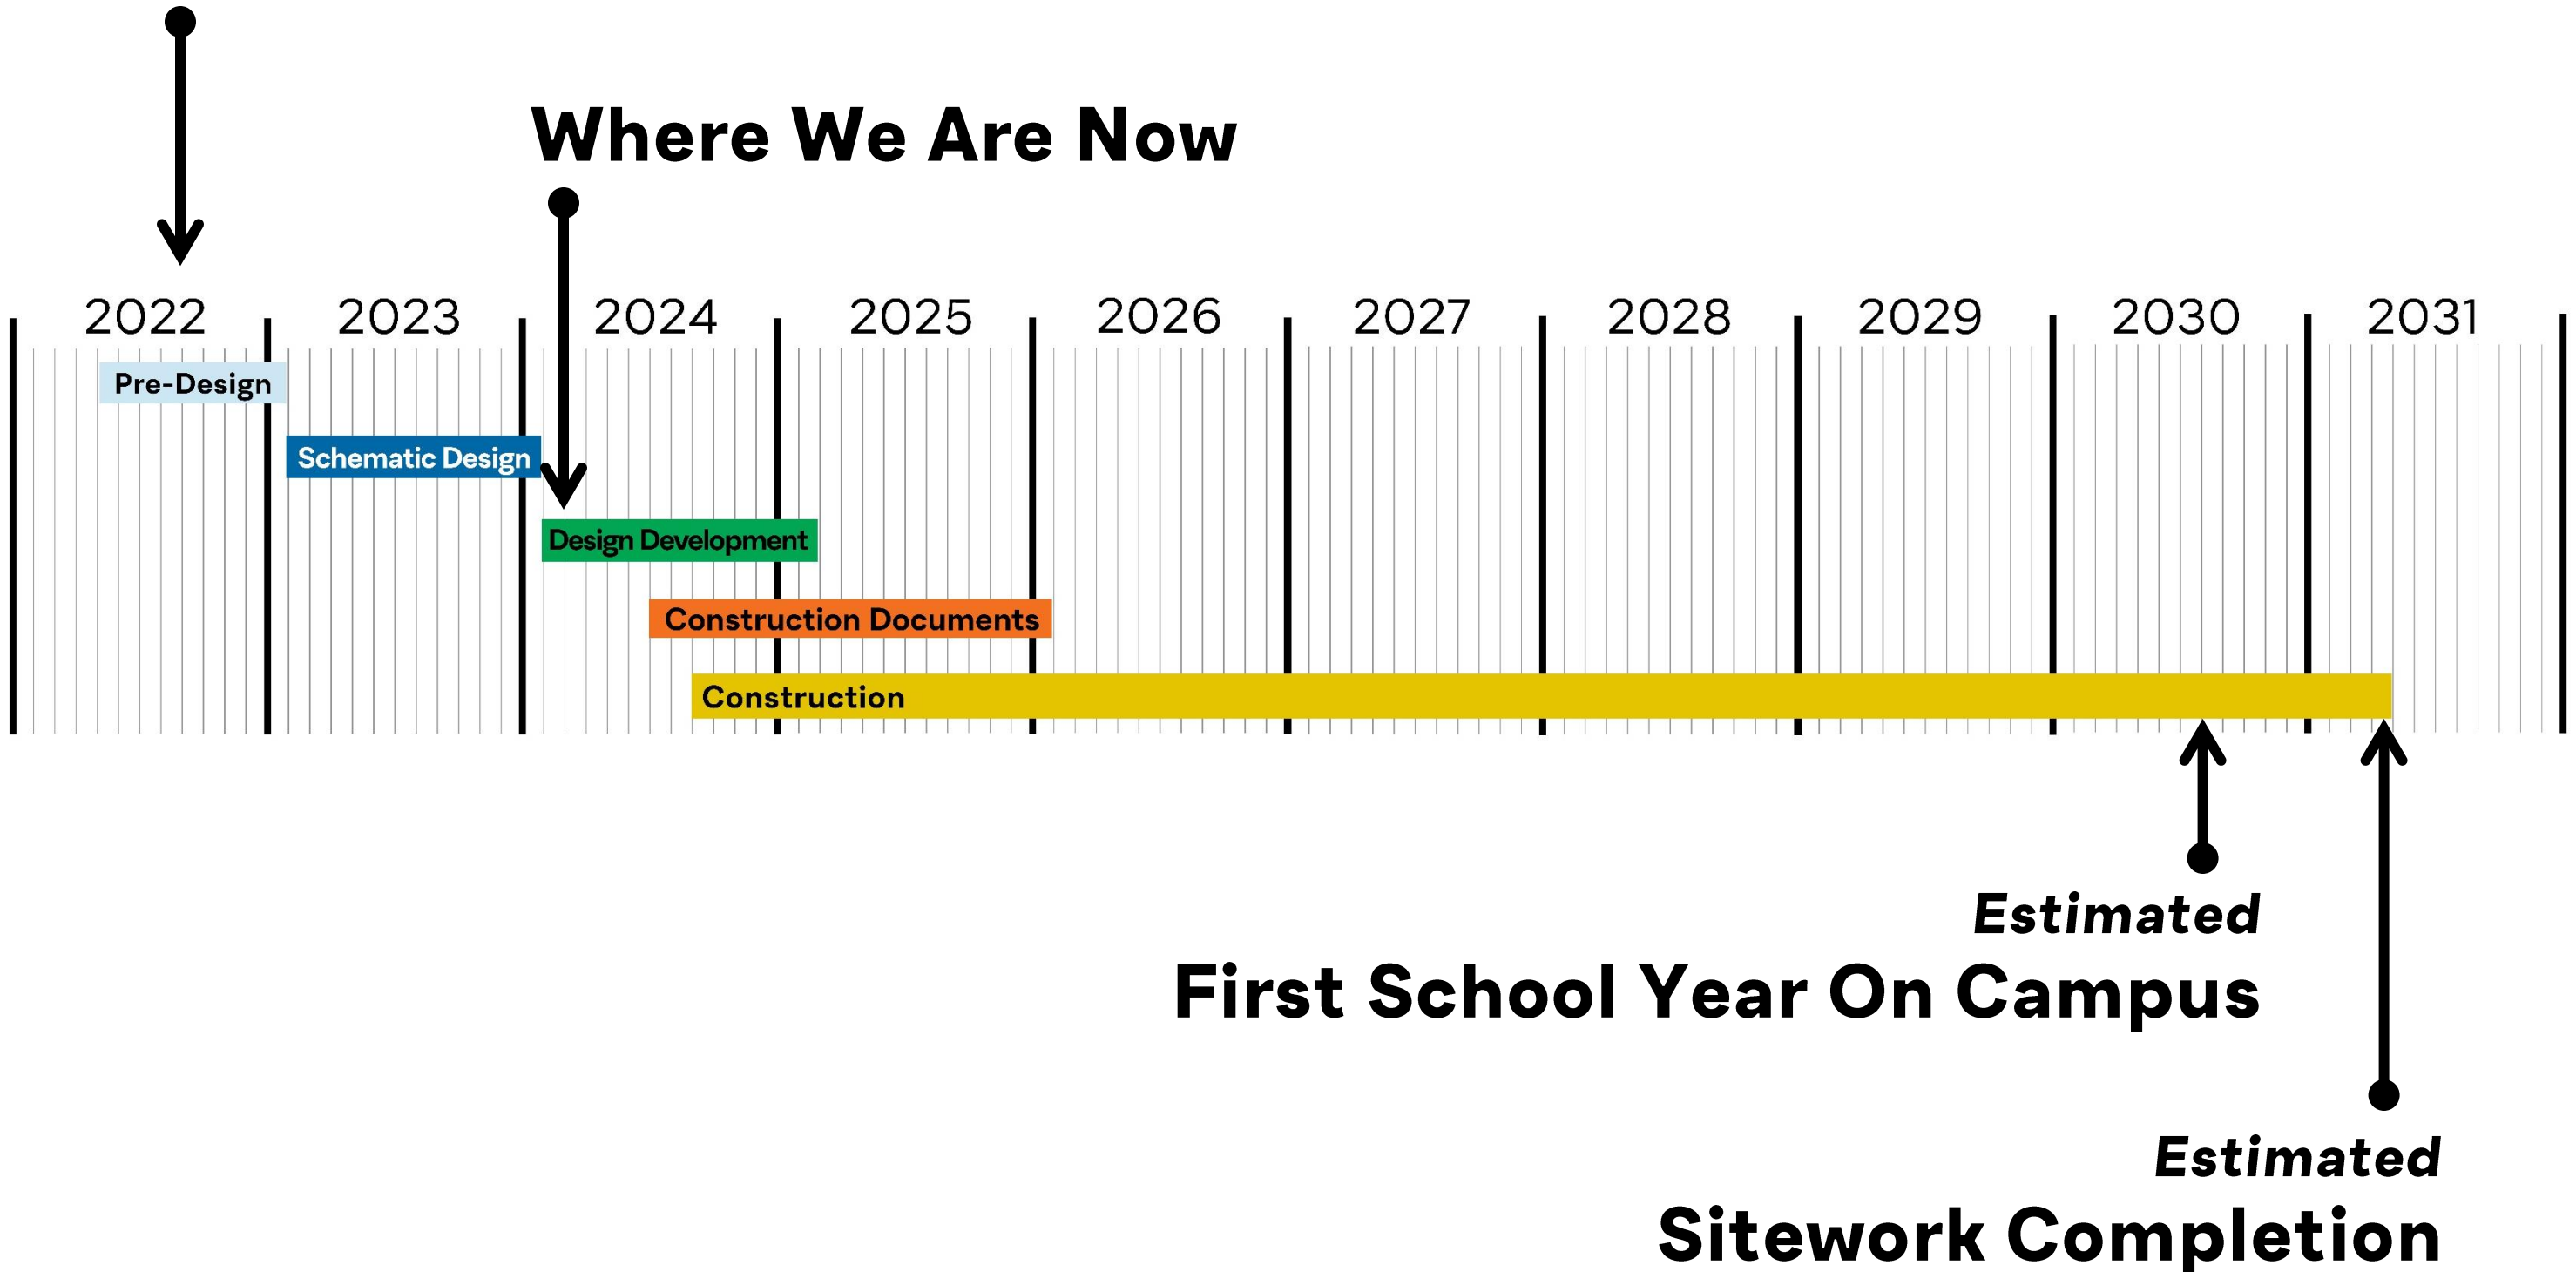

**02.**

WHERE ARE WE NOW

---

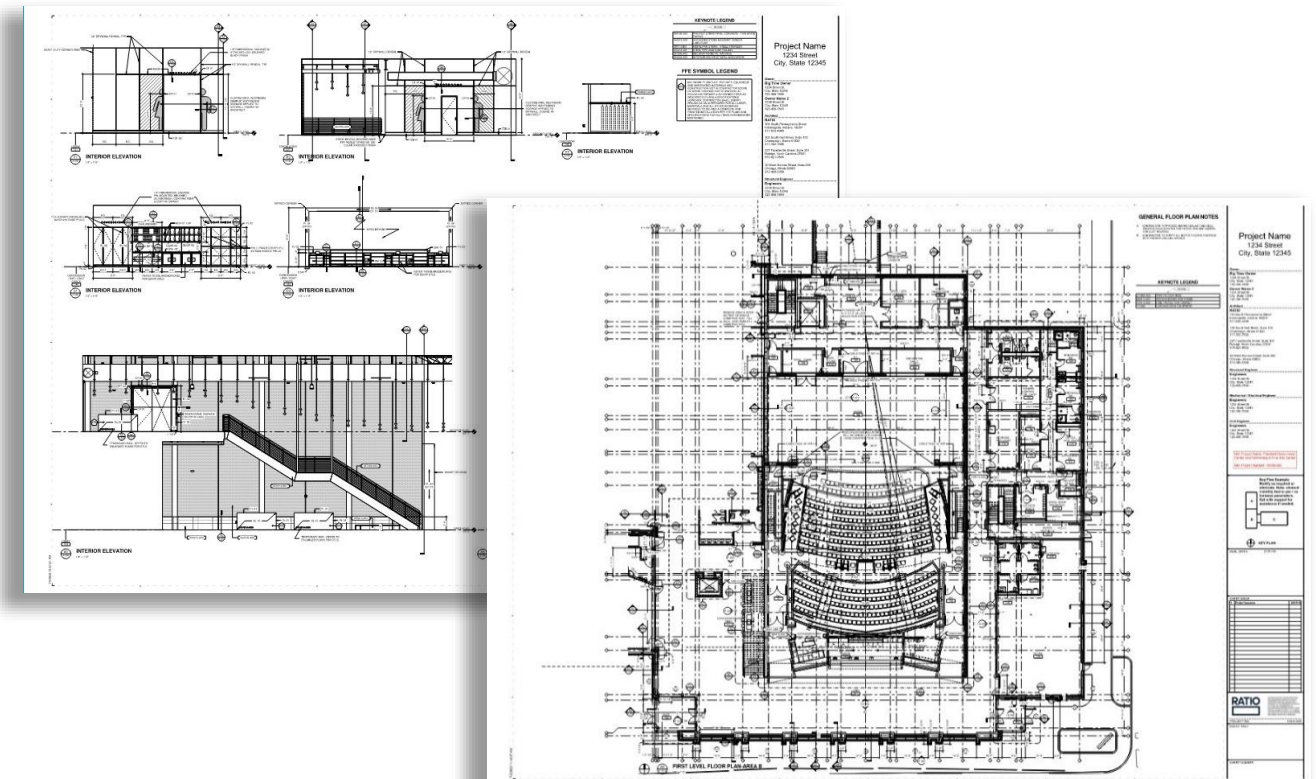

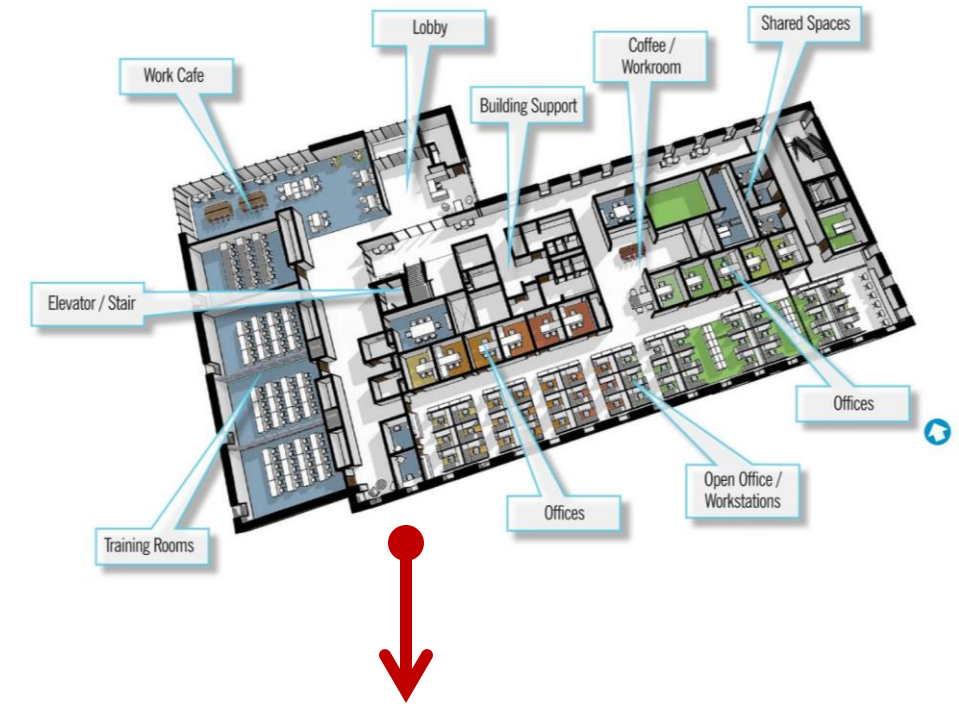

# Last Town Hall Update

## Where We Are Now

# Design Development Activities

- Meetings with each Schools' Administration
- Meetings with School Staff, Faculty, and Students
- Community Town Halls
- State Agency Approvals
- Adding detail to conceptual drawings

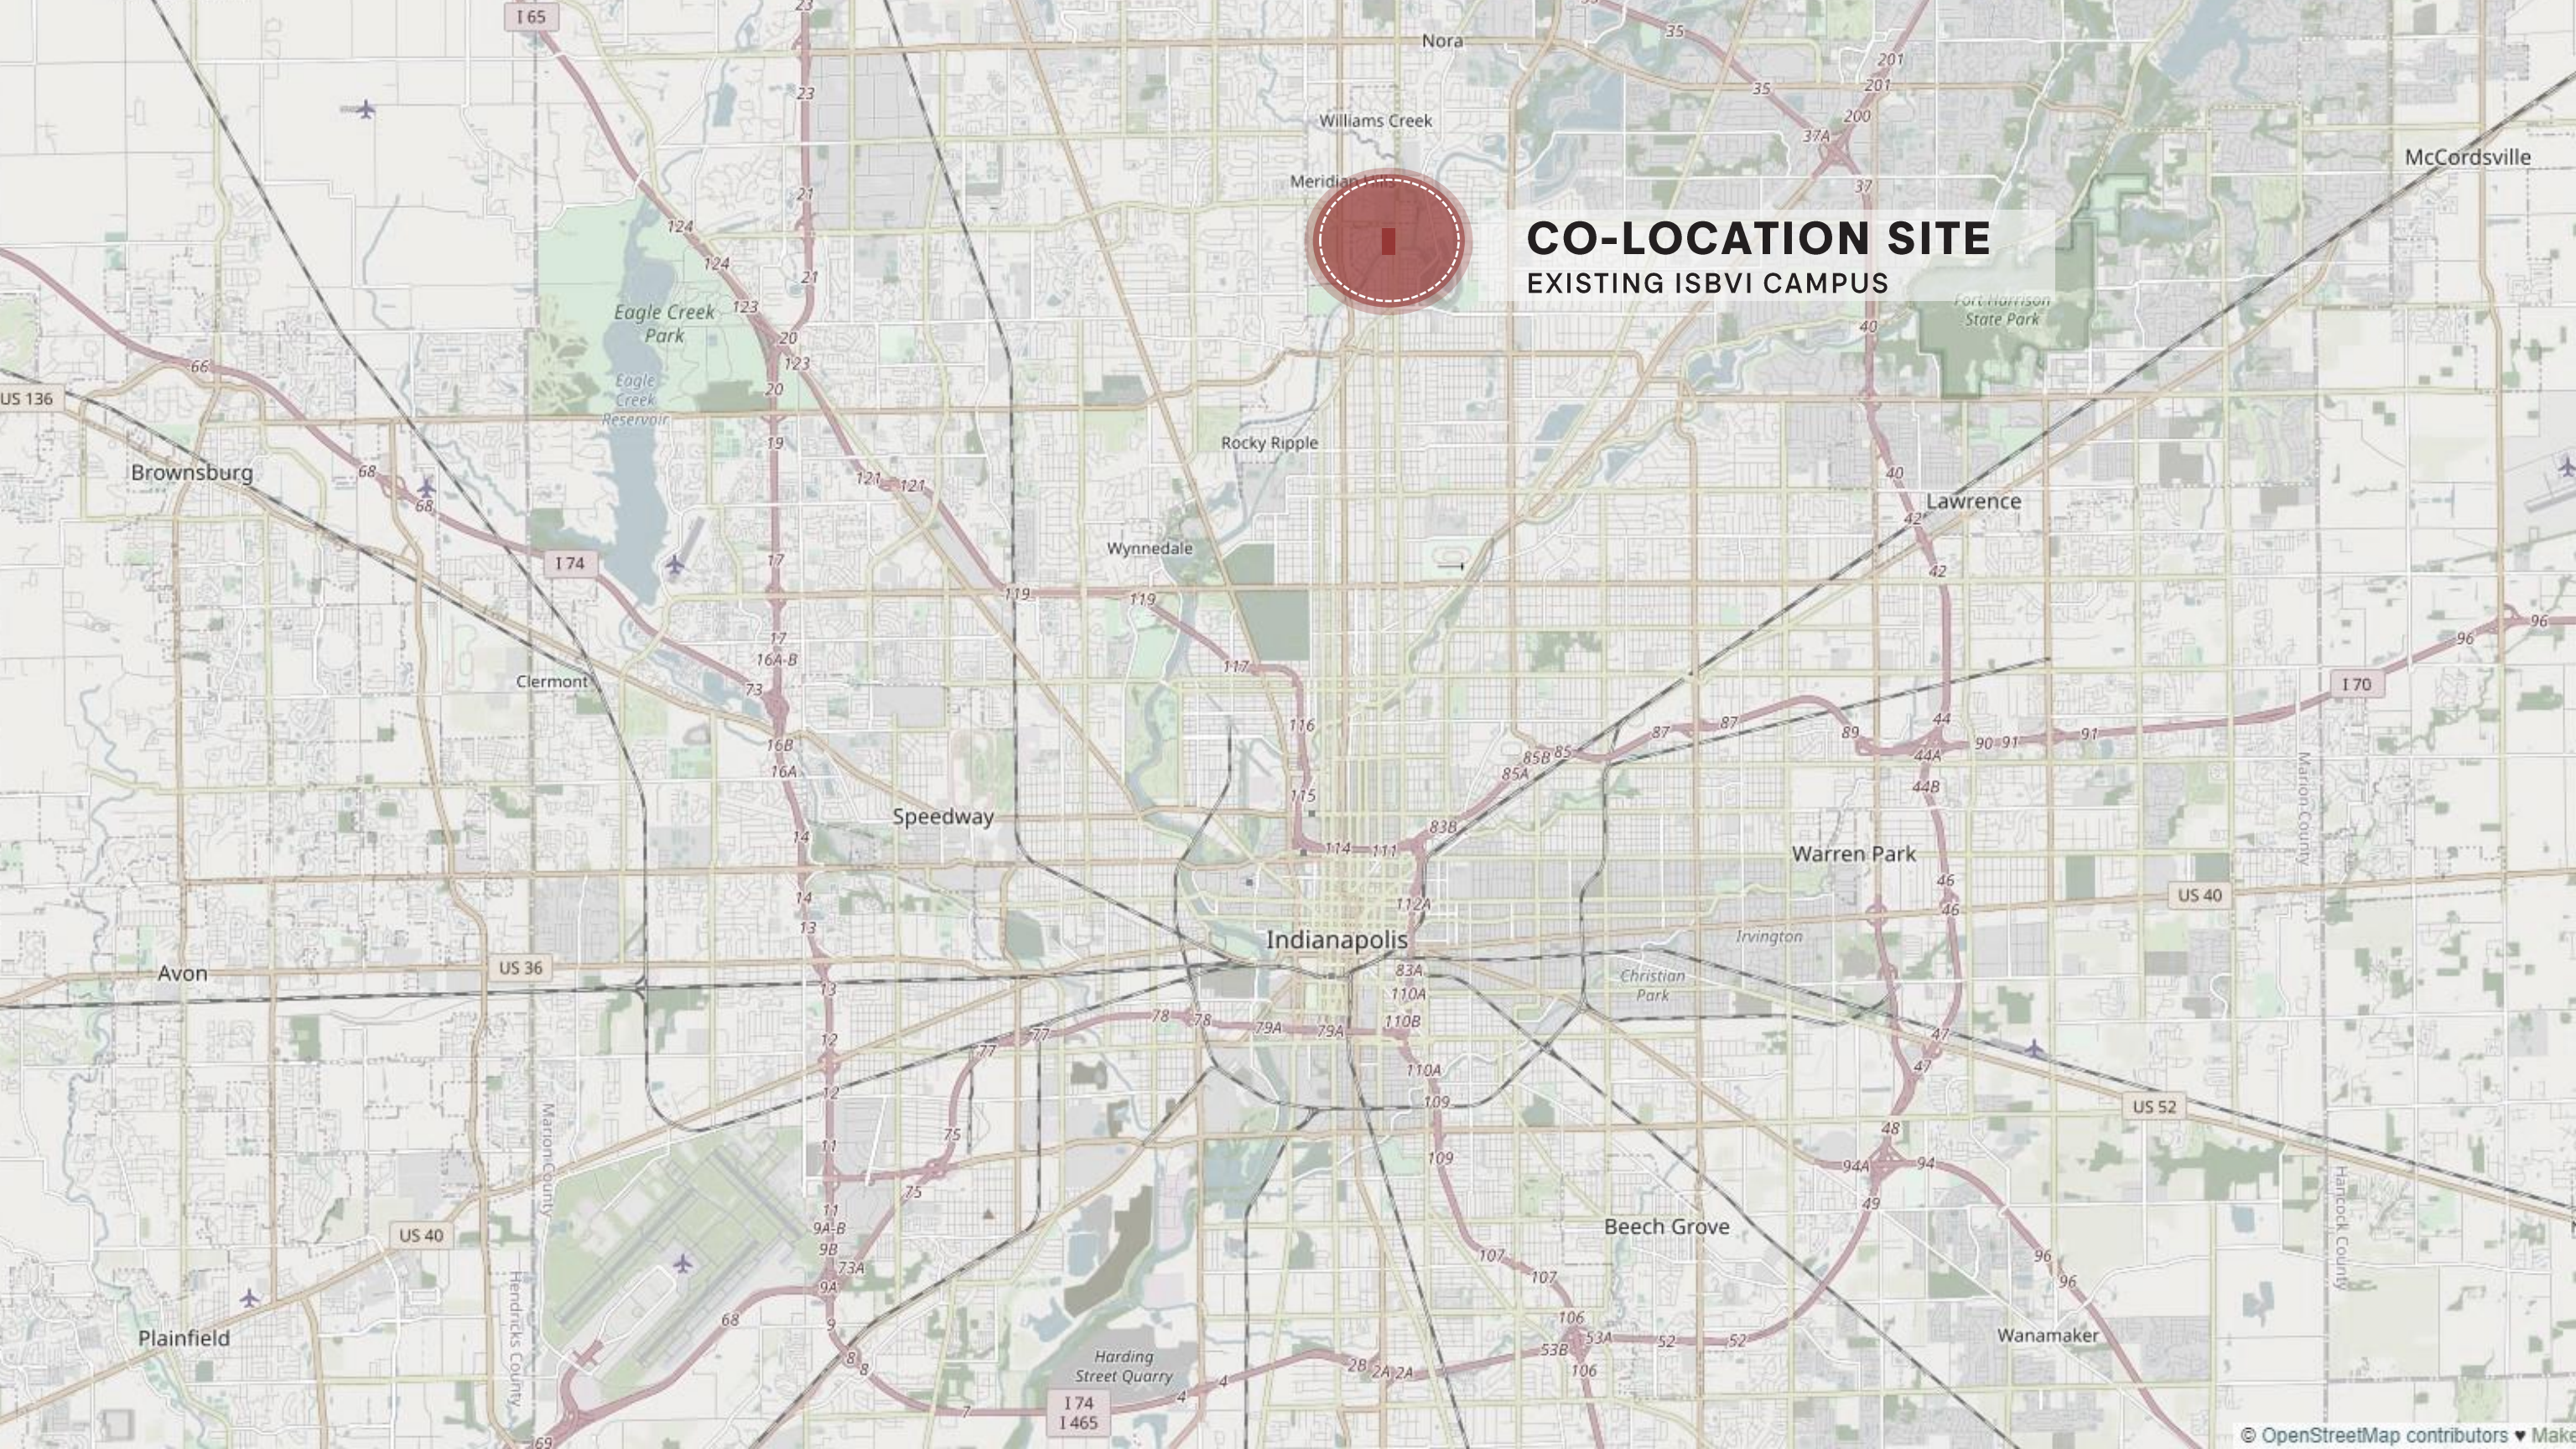

## 03. SCHEMATIC DESIGN REVIEW

---

# Campus Principles

1. Co-Location not Combination: One Campus, Two Unique Identities
2. A World Class Model for Education, Purposefully Designed to Meet the Unique Needs and Develop the Unique Strengths of the Student
3. Maintain and Enhance the Natural Landscape
4. Student Safety First
5. Fun, Joy, Discovery
6. Connection to Community
