Who We Are

At Octane Environmental, we exist to take on the toughest environments and deliver when it matters most. We bring relentless execution, uncompromising safety, and battle-tested solutions to biogas, oil & gas, industrial cleaning, and beyond. We don't cut corners. We don't back down. We build, contain, clean, and respond with discipline and grit — protecting people, safeguarding operations, and raising the standard in every field we enter.

We rise to pressure. We perform in the critical moments.

The Opportunity

Octane moves fast — and our CDL Drivers are what keep the operation running. You're responsible for getting equipment, materials, and crews where they need to be, on time and to standard. This is a critical role in a company that doesn't tolerate delays or corners cut. If you drive with professionalism and precision — we want you on the team.

On time, every time. The job depends on it.

Core Responsibilities

- Operate Class A or B CDL vehicle to job sites, yards, and disposal locations
- Perform daily pre- and post-trip inspections to verify safe operational condition
- Comply with all Federal, State, and Octane internal documentation requirements
- Coordinate with dispatch and field teams on pickup, delivery, and scheduling

What We're Looking For

- Valid Class A or B Commercial Driver's License (CDL) — required
- Clean driving record
- Dependable, punctual, and professional
- Comfortable working in oil & gas and industrial environments
- Ability to complete required compliance documentation accurately

What Sets You Apart

- Prior oil & gas or industrial cleaning field experience
- Experience hauling industrial waste, equipment, or field materials
- Strong situational awareness and safety-first mindset behind the wheel
- Team player who communicates proactively with dispatch and site teams

Compensation

\$25–\$29/hour based on experience, CDL class, and driving record.

Benefits Octane Offers

- 401K
- Dental
- Vision
- Medical Insurance (Family)

Why Octane

We are not a sit-back company. We are building something in the Oil & Gas, Renewable Energy, and Industrial Cleaning space — and we're looking for people who want to be part of it.

If you're looking to just clock in — this isn't it.

If you want to build, lead, and grow — let's talk.
