

Octane Environmental

Industrial Cleaning (IC) – Machine Operator

Location: Harrison County, WV – Project locations throughout WV

Industry: Industrial Cleaning / Oil & Gas

Work Environment: Field-based with exposure to various weather conditions; heavy equipment operation required

Pay Range: \$20–\$23/Hour

Experience Level: Minimum 1 Year Industry Experience Required

Reporting Structure: Reports to Project Manager / Director of Industrial Cleaning (IC) Operations

Who We Are

At Octane Environmental, we exist to take on the toughest environments and deliver when it matters most. We bring relentless execution, uncompromising safety, and battle-tested solutions to biogas, oil & gas, industrial cleaning, and beyond. We don't cut corners. We don't back down. We build, contain, clean, and respond with discipline and grit — protecting people, safeguarding operations, and raising the standard in every field we enter.

We rise to pressure. We perform in the critical moments.

The Opportunity

Machine Operators are the equipment core of Octane's Industrial Cleaning division. This role requires technical skill, field awareness, and a safety-first approach every time you fire up the equipment. If you've got the hours and the certifications — we want you on the team.

The crew depends on the equipment. The equipment depends on you.

Core Responsibilities

- Operate vacuum trucks, hydro-blast units, and industrial cleaning equipment
- Pass written and performance-based skills tests for all required equipment
- Perform daily equipment inspections and basic maintenance checks
- Maintain PEC, OSHA 10, and all customer-specific safety certifications
- Demonstrate consistent reliability — punctuality, work ethic, and job readiness

What We're Looking For

- Minimum 1 year industry experience required to be considered
- Proven proficiency operating vacuum trucks, hydro-blast, or combination units
- Willingness to pass written and performance-based equipment skills tests
- Active PEC Safety Certification and OSHA 10, or willingness to obtain
- Dependable and consistent — shows up ready and gets it done

What Sets You Apart

- Certifications on multiple pieces of powered industrial or heavy equipment
- Strong safety record operating machinery in industrial cleaning environments
- Ability to identify and address minor equipment issues before they cause delays
- Team player who keeps crews and job sites moving efficiently

Compensation

\$20–\$23/hour based on experience and equipment certifications. Opportunity to grow with a company gaining traction in the Oil & Gas, Biogas/RNG, and Industrial Cleaning markets.

Benefits Octane Offers

- 401K
- Dental
- Vision
- Medical Insurance (Family)

Why Octane

We are not a sit-back company. We are building something in the Oil & Gas, Renewable Energy, and Industrial Cleaning space — and we're looking for people who want to be part of it.

If you're looking to just clock in — this isn't it.

If you want to build, lead, and grow — let's talk.
