

Octane Environmental

Oil & Gas / Environmental Containment (EC) – General Laborer

Location: Harrison County, WV – Project locations throughout WV, OH, and PA

Industry: Oil & Gas Field Operations / Environmental Containment

Work Environment: Field-based with exposure to various weather conditions; physical labor and heavy lifting required

Pay Range: \$16–\$18/Hour

Experience Level: Entry Level

Reporting Structure: Reports to Crew Leader / Site Supervisor

Who We Are

At Octane Environmental, we exist to take on the toughest environments and deliver when it matters most. We bring relentless execution, uncompromising safety, and battle-tested solutions to biogas, oil & gas, industrial cleaning, and beyond. We don't cut corners. We don't back down. We build, contain, clean, and respond with discipline and grit — protecting people, safeguarding operations, and raising the standard in every field we enter.

We rise to pressure. We perform in the critical moments.

The Opportunity

This is where it starts. If you're willing to work hard, show up every day, and learn fast — Octane will invest in you. This is a hands-on, field-based role where you'll build the foundation of a career in oil & gas and environmental containment.

We don't just hire bodies. We build people and skilled trades talent.

Core Responsibilities

- Perform physical labor — lifting, carrying, and moving equipment and materials
- Operate or learn to operate basic hand tools (grinder, heat gun, drill, etc.)
- Develop equipment understanding and perform daily safety inspections
- Operate or learn to operate Skid Loader to Octane Safety Standards
- Maintain reliable transportation to and from the Octane yard
- Pass and maintain all required safety certifications through Octane

What We're Looking For

- Reliable, hardworking, and eager to learn
- Ability to perform physical labor in a field environment
- Willingness to obtain PEC Safety Certification, OSHA 10, and required training
- Dependable transportation to and from the Octane yard
- Positive attitude and coachable mindset

What Sets You Apart

- Prior experience in construction, labor, or field environments
- Willingness to cross-train across divisions and equipment types
- Shows up on time, ready to work — every single day
- Takes direction well and asks the right questions

Compensation

\$16–\$18/hour based on experience. Opportunity to grow into Field Technician, Machine Operator, and Crew Leader roles as you build certifications and field experience.

Benefits Octane Offers

- 401K
- Dental
- Vision
- Medical Insurance (Family)

Why Octane

We are not a sit-back company. We are building something in the Oil & Gas, Renewable Energy, and Industrial Cleaning space — and we're looking for people who want to be part of it.

If you're looking to just clock in — this isn't it.

If you want to build, lead, and grow — let's talk.
