

Octane Environmental

Oil & Gas / Environmental Containment (EC) – Field Supervisor

Location: Harrison County, WV – Project locations throughout WV

Industry: Gas & Oil Field Operations / Environmental Containment

Work Environment: Field-based; supervisory and field duties combined

Pay Range: \$22–\$25/Hour

Experience Level: 3–5 Years Industry Experience Required

Reporting Structure: Reports to Project Manager and Director of Containment

Who We Are

At Octane Environmental, we exist to take on the toughest environments and deliver when it matters most. We bring relentless execution, uncompromising safety, and battle-tested solutions to biogas, oil & gas, industrial cleaning, and beyond. We don't cut corners. We don't back down. We build, contain, clean, and respond with discipline and grit — protecting people, safeguarding operations, and raising the standard in every field we enter.

We rise to pressure. We perform in the critical moments.

The Opportunity

Field Supervisors are the operational backbone of Octane's Environmental Containment division. You oversee multiple crews, coordinate with dispatch, and ensure that every job meets our standards for safety, quality, and execution. This is a high-accountability role for someone who has earned it from the ground up.

If you've built it, patched it, sprayed it or wedged it — we can talk.

Core Responsibilities

- Hold a valid driver's license and qualify as an Octane Approved Driver
- Ensure Crew Leaders and team members adhere to company policies and safety regs
- Facilitate communication between Crew Leaders and management
- Monitor crew performance and ensure work meets Octane Quality Standards
- Coordinate with dispatch for delivery of materials, equipment, and crews
- Complete daily reporting — Job Summaries, material usage, and next-day activities
- Maintain PEC, OSHA 10, and all customer-specific safety certifications

What We're Looking For

- 3–5 years of industry experience required to be considered
- Valid driver's license with Octane Approved Driver qualification
- Strong organizational skills — managing multiple crews, jobs, and logistics
- Clear communicator who keeps crews informed and management updated
- High accountability for documentation — accurate daily reporting without fail

What Sets You Apart

- Track record of leading crews that hit quality and safety marks consistently
- Ability to manage logistics under pressure — equipment, people, and materials
- Earned the trust of both your crews and your leadership
- Solutions-oriented — you don't wait for problems to be handed to you

Compensation

\$22–\$25/hour based on experience, performance, and division responsibility. Opportunity to grow with a company gaining traction in the Oil & Gas, Biogas/RNG, and Industrial Cleaning markets.

Benefits Octane Offers

- 401K
- Dental
- Vision
- Medical Insurance (Family)

Why Octane

We are not a sit-back company. We are building something in the Oil & Gas, Renewable Energy, and Industrial Cleaning space — and we're looking for people who want to be part of it.

If you're looking to just clock in — this isn't it.

If you want to build, lead, and grow — let's talk.
