Other ideas from membership

BETTS DRAIN UPDATE-COLLETTE

ROSE LAKE BEACH REP UPDATE-SHEILA

Communications from Members via GoDaddy or Email

- make available games like corn hole and ladderball along with old school games like horseshoes and badmitten. Keep them in a storage shed. Provide fishing poles and supplies to fish in the channel. Maybe a grill too. However, first things first. Dig out the evasive plants blocking the channel. There is another group of plants two lots down that needs cleared out. I don't know the owners. Someone has to have access to a backhoe. David Naugle 518 Mallard Dr. eve # **(419) 386-5721**
- Leash policy was questioned by a member
- Theresa Broadwater suggestions for plants/shrubs/trees at the beaches (ideas have been sent to the board previously)
- To whom it may concern, AI video analysis has detected vehicles, including commercial vehicles, operating at speeds between 35 and 45 mph on our roadways. A recent incident on April 14th recorded a vehicle traveling at 55 mph, also verified through AI. Furthermore, the Association has received approval from its insurance provider to implement speed bumps with appropriate signage. Thank You For Attention !!!!!!!

Member Time

2026 Ongoing Priorities for the season

Additional sand for the beaches

Expansion of Rose Beach and the tiny dock

Roads/drainage – future plans and money to do so.
