Fiesta Shores Association
Monthly Board Meeting Minutes

August 13, 2026

Call to Order:
President Ron Mather called the meeting to order at 6pm at Rose Lake beach pavilion.

Roll Call:
Ron Mather conducted a roll call. Ron Mather, Sheila Miller, Gladys Gilbert, Mallory Herman, Cathy Schaupp, Patti Prumm, Ellie Forsyth and Diana Akrord were present.

Financials:
Financial report for June and July was read. Motion by Cathy to approve, 2nd by Ellie – approved by all.

Minutes:
Roadwork was discussed. Parrish Excavating was here 7/12. He stated that culverts need to be flushed. He took a look at the problems on Bluebird. He had a couple of ideas on how to attempt to fix it. One option is to regrade the area going to Shane and Hannah's home to divert the water into a catch basin on the east side of the road. Another option is to work at the top of the hill to divert the water as its coming down the hill so that it slows along the way. Building some ditching along the hill would help with this. The Connolly's are going to attempt to direct some of the water into the pond that is in their yard. Parrish's will add some dirt to the top of their driveway as another attempt to divert the water away from the garage. Parrish is to provide separate quotes for each of these scenarios so we can determine which one we would like to go with.

Garage Sale was discussed. Missy Lafferty is heading this up. So far, 6 houses have signed up.

Trunk or Treat/Hay Ride/Haunted Trail – nothing new to discuss.

Euchre/Corn Hole tournament will be August 22nd. Volunteers are still needed.

Annual Meeting Minutes can be read & approved through email. They only require the boards approval, not the members. Mallory made a motion to have the minutes emailed to all the board members for approval with Gladys 2nd. All were in favor. Patti will get these sent to everyone this week.

Picnic Tables were discussed. New wood will be purchased to brace the bad spots. Diana will add this task to the volunteer page of the website.

Ron would like a new toy box for the beach. He would prefer it to be made out of wood with air holes so things that are in it can dry. Diana will also add this to the website volunteer list.

The Merchandise link on the website is done. Diana has some additional ideas for some seasonal items that can be added to it as well. It is a direct ship link that will send it right to the person that orders. The association will make a small amount of money with each sale.

There really is no update on the by-law changes. Ron has not heard back from the lawyer on this issue. He is going to call him again to try to get this completed so that a letter can go out timely so that a special vote prior to the hog roast weekend festivities.

Gangsters in the park was discussed. Ron said if he can't be reached and we have someone from outside of the neighborhood causing problems and no one is able to get them to leave, Ellie or anyone else can call the police. The raft has come unhooked a couple of times. However, it does not have a swivel on the pole so she thinks it is just coming

unhooked on it's own. Ed Cole said that he would add a swivel to it at the end of the season when it is pulled out of the water.

Speeding problems were discussed again. Cathy has looked into the cost of a sign that tells people how fast they are going. Prices for these have a huge range. She's going to do some further research and figure out what would be the best for our situation. Mallory shared about her family trying to get someone to slow down and it only seemed to make the situation worse. That driver caused other problems and she just doesn't feel save doing that anymore. She is willing to give up some yard space to put a sign in that area.

Motion was made by Mallory to adjourn, 2nd by Ellie. Approved. Meeting ended 6:50pm.
