

Definition for Backyard Cook Team

- A. Any member of the team who has not entered in and competed in more than twelve (12) sanctioned "Master Series" BBQ competitions in the past and;
- B. Any person who has been a member of a team who has not been awarded a **combined two** Grand Champion **and/or** Reserve Champion **status**es in any KCBS Sanctioned "Master Series" competitions, and;
- C. Any member of the team who has competed in three (3) or less "Master Series" BBQ competitions within the current competition year.

If any member of the team has entered in and competed in more than twelve (12) sanctioned "Master Series" BBQ competitions in the past, they are ineligible to participate in the Backyard competition. Any person who was a member of a team who has competed in three (3) or less "Master Series" BBQ competitions within one (1) competition year may be considered a backyard cook and may declare or revert to such status. This includes the Chief Cook and/or Assistant Cooks. The only exclusion to this rule would be those judges cooking with a team to qualify for master judge status. Individuals who feel they have extenuating circumstances may appeal to the KCBS Sanctioning committee or their designee for reconsideration as a backyard cook. Those requests must be made in writing within 90 days of the competition in question.

Rules and Regulations

- 1) The decision and interpretations of the KCBS Rules and Regulations are at the discretion of the KCBS Contest Representatives at the contest. Their decisions and interpretations are final to the extent consistent with the rules.
- 2) Each team shall consist of a chief cook and as many assistants as the chief cook deems necessary. A team shall not compete in more than one KCBS sanctioned contest under the same team name, on the same date. Chief cooks and/or assistant cooks may only cook for their designated team at the contest they are attending. **The only exception to this rule is participation in one-meat competitions held in conjunction with a Master or Backyard competition.**
- 3) Each team will be assigned a cooking space. Pits, cookers, props, trailers, motor homes, vehicles, tents or any other equipment (including generators) shall not exceed the boundaries of the team's assigned cooking space. All seasoning and cooking of product shall be done within the assigned cooking space. Teams shall not share an assigned cooking space or cooking device.

- 4) Contestants shall provide all needed equipment, supplies, and electricity, except as arranged for in advance. Contestants must adhere to all electrical, fire, and other codes. A fire extinguisher shall be near all cooking devices.
- 5) It is the responsibility of the contestant to see that the team's assigned cooking space is clean and orderly following the contest. All fires must be put out, pits filled (if allowed by contest organizer), and all equipment removed from site. It is imperative that clean-up be thorough. Any team's assigned cooking space left in disarray or with loose trash, other than at trash containers, may disqualify the team from future participation at KCBS sanctioned events.
- 6) Fires shall be of wood, wood pellets, or charcoal. Gas and electric heat sources shall not be permitted for cooking or holding. Propane or electric is permitted as fire starters, provided that the competition meat is not in/on the cooking device. Electrical accessories such as spits, augers, or forced draft are permitted. No open pits or holes are permitted, except at the election of the contest organizer. Fires shall not be built on the ground.
- 7) All competition meats shall be inspected by the KCBS-Approved Meat Inspector during the times established by the contest organizer but not prior to the day before judging. Once the competition meat has been inspected, it shall not leave the contest site. Cooking shall not begin until the competition meat has been inspected by the Official Meat Inspector. All competition meat shall start out raw. No pre-seasoned meat is allowed other than manufacturer enhanced or injected products, as shown on label EXCLUDING but not limited to teriyaki, lemon pepper or butter injected. When the contest organizer supplies the meat, the contestant is not required to enter only that meat. Competition meat not meeting these qualifications shall be disqualified, not allowed to be turned in, and not judged, and receives no score.
- 8) Barbeque for the purposes of the KCBS Rules is cooking the two KCBS Meat Categories 10) below on a device defined in 6) above. Parboiling, Sous-vide, and/or deep-frying competition meat is not allowed. If any of the banned processes are discovered before the team turns in, the team will receive zeros. If discovered after turn-in, the team will receive (1) ones in all criteria for that entry.
- 9) Meat shall not be sculptured, branded or presented in a way to make it identifiable. Rosettes of meat slices are not allowed. Violations of this rule will be scored a one (1) on all criteria by all six judges.
- 10) The Two KCBS Meat Categories:
CHICKEN: Chicken includes Cornish Game Hen and Kosher Chicken. PORK RIBS: Ribs shall include the bone. Country style ribs are prohibited.

- An Overall Backyard competition champion and Reserve Champion shall be acknowledged at each competition.** Additional categories are allowed but do not count towards Reserve Grand Champion or Grand Champion.
- 11) Judging typically starts at Noon on Saturday. The two (2) KCBS categories will be judged in the following order: CHICKEN: NOON
PORK RIBS: 12:30 pm
Any modified time or change in category order must be published in the cooks' packet 30 days in advance of the contest and be confirmed at the cooks meeting. Turn-in times must be 30 minutes apart. If the order the categories that will be judged is changed or the 30-minute period between categories is different, it must be approved by the KCBS office in advance. An entry will be judged only at the time established by the contest organizer. The allowable turn-in time will be five (5) minutes before to five (5) minutes after the posted time with no tolerance. A late turn-in will not be accepted by a Rep and will receive a 0 (zero) in all criteria.
 - 12) Garnish is optional. If used, it is limited to chopped, sliced, shredded or whole leaves of fresh green lettuce, **curly green kale**, curly parsley, flat leaf parsley and/or cilantro. **PROHIBITED GARNISHES ARE** lettuce cores, **kale stems** and other vegetation, **INCLUDING BUT NOT LIMITED TO** endive, red tipped lettuce. "PROHIBITED" garnish shall receive a penalty score of one (1) on Appearance.
 - 13) Sauce is optional. If used, it shall be applied directly to the meat and not be pooled or puddled in the container. No side sauce containers will be permitted in the turn-in container. Chunky sauce will be allowed. Chunks are to be no larger than a fine dice, approximately 1/8 inch cubed. Sauce violations shall receive a penalty score of one (1) on Appearance.
 - 14) Entries will be submitted in an approved KCBS numbered container, provided by the contest organizer. The number must be on top of the *container at turn-in*.
 - 15) The container shall not be marked in any way to make the container unique or identifiable. **ONLY the acceptable meat for the category being judged and legal garnish may be in the turn-in box.** Aluminum foil, toothpicks, skewers, foreign material, and/or stuffing are prohibited in the container. A hair or brush bristle is not considered a foreign item as it is impossible to determine where this was introduced. Marked entries or containers with the above listed material will receive a one (1)

in all criteria from all Judges and disqualified.

Exception to this rule are small items that are NOT seen at the time of appearance scoring and are inside, underneath, or attached to one judge's sample; for example, a small piece of foil that may be the result of a thermal probe and be in a piece of meat. In this situation, the judge receiving the sample with the foreign object will score the entry with a one (1) in all categories. All other judges will score the entry as though there was no object in the box. Once the sixth judge has taken his or her samples and the box is closed and is released for the leftover table, nothing inside or on the box can be used to determine a marked box, illegal garnish, or foreign item in box.

- 16) Each contestant must submit at least six (6) portions of meat in an approved container. Chicken may be submitted chopped, pulled, sliced, or diced as the cook sees fit, as long as there is enough for six (6) judges. Ribs shall be turned in bone-in. Judges may not cut, slice, or shake apart to separate pieces. If there is not enough meat for each judge to sample, the shorted judge(s) will score a one (1) on all criteria, and the judges having samples will change the Appearance score to one (1) as a penalty.
- 17) The following cleanliness and safety rules will apply:
- No use of any tobacco products while handling meat.
 - Cleanliness of the cook, assistant cooks, cooking device(s) and the team's assigned cooking space is required.
 - Shirt and shoes are required to be worn.
 - Sanitizing of work area should be implemented with the use of a bleach/water rinse (one cap/gallon of water). Each contestant will provide a separate container for washing, rinsing and sanitizing of utensils.
 - First aid is not required to be provided by the contest, except at the election of the contest organizer.
 - Prior to cooking, meat must be maintained at 40° F or less.
 - After cooking, all meat:
Must be held at 140° F or above *OR*
Cooked meat shall be cooled as follows:
Within 2 hours from 140° F to 70° F and
Within 4 hours from 70° F to 41° F or less

- Meat that is cooked, properly cooled, and later reheated for hot holding and serving shall be reheated so that all parts of the food reach a temperature of at least 165° F for a minimum of 15 seconds.

- 18) There will be no refund of entry fees for any reason, except at the election of the contest organizer.
