The 60th season of From This Day Forward will take place mid-July through mid-August 2027, marking a truly special milestone in the history of this beloved production. This anniversary season is more than a celebration of the past, it is an opportunity to preserve a legacy for the future. Renovations to our amphitheatre are essential to ensuring this historic venue is ready to welcome audiences for this special season and for generations of performers and visitors yet to come. Your pledge to the Amphitheater Restoration Campaign Fund can help make that possible.

We respectfully ask that you fulfill your pledge by **January 15, 2027**, allowing renovation work to move forward in time for the 60th season.
