

Jaime's

Little

Farm

Dear Laveen Community Center,

Thank you for your support of my 4-H sheep project. I have been in 4-H for 9 years, with my main projects being sheep and horse. I currently have 20 head of sheep and 5 horses. In sheep, I have a breeding project and keep sheep all year long, unlike many livestock projects, where the members only keep their animals a few months.

I am an Honor Roll student at Alhambra Traditional School and just graduated from eighth grade so I will be going on to high school next year. I am looking forward to my summer vacation and the chance to spend more time with my animals.

Again, thank you for your support.

Sincerely,

Jaime Lauren Flora
