

Jim McGreevey

is running for Mayor
of Jersey City.

He is asking for your help to make Jersey City a better city for all residents. We have identified major issues that are affecting the City, and with your support, we can address them together.

**WORKING
TOGETHER
FOR A NEW
JERSEY CITY**

THE MCGREEVEY PLAN

PROPERTY TAXES AND RENT

- ▶ Over the past few years, **property taxes and rent have gone up significantly** in the City.
- ▶ We must make **drastic changes to the City's spending** to stabilize the property taxes and focus on affordable and rent-controlled housing.

POLICE AND PUBLIC SAFETY

- ▶ We must work closely with the Jersey City Police Department to **make our streets safer** and protect our communities.
- ▶ It is imperative that we **revamp our broken and ineffective 911 system**.

PUBLIC SCHOOLS

- ▶ **Nearly two-thirds of Jersey City third graders fail to meet standards for reading and mathematics.**
- ▶ **With a budget over \$1 billion**, we should be providing our children with an excellent education.
- ▶ I will work closely with the Jersey City Board of Education to **provide our children with the best education** in the state.

I want to thank you for your support and let you know that I will always be here for you, both now and after I become mayor. Together, we can make Jersey City the best it can be.
