

MCGREEVEY FOR MAYOR

Dear Neighbor,

I am running to serve as your mayor. Jersey City needs a leader in City Hall, who will work as hard as you do.

Stabilizing property taxes and rents; balanced, controlled development; the police and public safety; and good schools are our shared priorities.

As we seek to make Jersey City the best city, we need to ensure that you are fully informed.

As I hold Town Meetings and meet you in neighborhoods, I look forward to listening to your concerns.

I ask you to support my candidacy, to ask your friends and neighbors, and to join in our campaign, as we begin to provide the right change for Jersey City.

Best, fondly,

Jim
