

# MERRY CHRISTMAS!

*Dear Parents & Guardians,*

Wow, where did the time go? The school year is quickly drawing to a close, the festive lights are twinkling, and we're officially entering the most wonderful time, the **Christmas and Winter Holidays!**

We just wanted to take a moment to say a huge **thank you** for the fantastic journey we've had this semester. We're constantly inspired by their progress, their creativity, and their enthusiastic participation. They're the best part of our day, and we cherish the time spent guiding their learning.

We also really appreciate the amazing **dedication and partnership** you show us every single day. Your support at home whether it's checking homework, encouraging reading, or just making sure they get enough sleep is the most important ingredient in your student's success. We couldn't do this without you! Thank you for making education a collaborative priority.

We hope this holiday break gives you a chance to truly pause, relax, and enjoy precious time with loved ones. May your family celebrations be filled with the joyous traditions you hold dear, peace, and good cheer.

We look forward to welcoming our students back in the New Year, refreshed and ready for new challenges! Thanks again for everything! Wishing you a very Merry Christmas and a relaxing, happy holiday.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Christina Ramirez'.
