If your child is not riding the bus or has a change to their usual bus plan, please call the school office at (928) 692-0013 or Mr. Paul at (562) 547-3535 to let us know.

We kindly ask that any changes be made as early as possible. This helps us communicate the update to your child's teacher and the bus driver. Last-minute changes can delay other bus stops, so please be mindful when adjusting plans close to dismissal time.

Thank you for helping us keep all students safe and our buses running on schedule.

*****Please be at your Bus stop 5 minutes early the bus will leave promptly at these times. *****
