

CONSENT FORM

Please read and Initial

I authorized Qualidee taxes to contact the treasury offset program (1-800-304-3107) to ensure that I do not have any outstanding debts.

It is my understanding that Qualidee will electronically file the original return through their software and that the fees will automatically be deducted from my refund. There will be an additional charge of \$49.95

If the fees for the completion of my taxes are not collected from my refund, it is my responsibility to ensure that the preparer receives payment for the work that was put into my tax return

In the event of a rejection from the IRS, I authorize general fixes that will push the return through, and if there are any changes to the return, I would prefer to be contacted by phone or email. (please circle one)

I verify that everything in this packet is correct and complete to the best of my knowledge.
