

Southern Cross Capital Advisors and TaxQuotes Form Strategic Alliance to Deliver Integrated Lending and Tax Solutions

PHILADELPHIA, PA & IRVINE, CA — *Southern Cross Capital Advisors*, a national business lending platform, and *TaxQuotes*, a professional tax services firm, have announced a strategic alliance to deliver integrated financing and tax resolution services.

Building on a long-standing relationship, this partnership aims to streamline access to capital while addressing tax-related challenges for real estate investors, entrepreneurs, and business owners.

*“Southern Cross’s one-stop capital and credit solution aligns perfectly with the tax and accounting services we provide,” said **John Oh**, Founder & CEO of TaxQuotes. “Together, we’re helping clients secure funding while overcoming tax-related barriers to growth.”*

Founded in 1998, Southern Cross Capital Advisors supports borrowers across asset classes through its fintech-enabled capital markets platform. By partnering with TaxQuotes, the firm expands its ability to serve clients with complex financing needs involving tax liens or compliance issues.

*“We’re excited to officially welcome TaxQuotes to our client services team,” said **William P. Fusselbaugh**, President of Southern Cross. “Their tax resolution expertise enhances our offering for clients facing tax challenges. This alliance delivers strategic capital deployment with essential support.”*
