

To whom it may concern,

It is with great pleasure that I write this letter of recommendation for Eve Hoehl, whom I have had the pleasure of coaching at The Windy City Storm. As her coach I have witnessed firsthand Eve's dedication, talent, and growth, both on and off the ice.

Eve possesses many skills, particularly in speed, defensive awareness, and her puck handling. More importantly, she demonstrated an intense work ethic, constantly striving to improve every practice and game. In the weight room she is relentless with getting herself prepared for success.

Beyond her athletic ability, Eve is a leader and a team-first player.

Whether as a team captain or a team player, she brings discipline, positive attitude, and resilience to the locker room. She is highly coachable and respected by peers, coaches, and parents alike.

I am confident that Eve will be an invaluable asset to your program, both as a talented hockey player and as a person of high character. Please feel free to contact me for further information.

Sincerely,

Robert Charneske
