NSPRA Members and Senior Rodeo Enthusiasts,

The new NSPRA board is hard at work on the plans for the next rodeo year in 2021. As part of the new board structure we have set up some active committees to help with the operations of the NSPRA. The committees and their chairman will be on our website for your viewing, feel free to reach out to any of the committee chairmen for any ideas or help you may want to offer.

We are very hopeful that the setting of these committees will help in the organization for the new year and promote involvement from the old and new members. Our membership goal for this coming year is to have over 250 active members for 2021. We already have several rodeos on the calendar and are pursuing more. If you have an interest in producing a rodeo series let us know.

The SNFR location for 2021 will be decided prior the publication of this letter so keep updated on our website and face book for that location.

Lets all work together to make this next year a great success.

Remember that memberships paid in December of 2020 are \$160 for individuals.

Bring a friend or two, lets have some fun in 2021.

Regards,

Curt Johnston  
President.
