

Shelley Kais, CGFM

Diplomate of the American Board of Forensic Examiners

LEADERSHIP EXPERIENCE

● Kais E Systems, Inc | President

1996-Present

As consultants, we work side-by-side with clients to solve business issues, create value, maximize growth and improve performance. Supporting clients in collecting and analyzing data, producing models and visualizations, and drawing conclusions from data to improve their decision-making is the cornerstone of my service. As a facilitator/instructor, I coach teams to develop and deliver their organization's solutions ensuring the results are evidence-based and data-driven. I provide training to groups on investigative methodology, data design, and data analytics. Using coaching and influencing skills, we move toward a common vision and/or goal with our clients.

● Continental ESD #39 | Board Member

July 2019-Present

Governing member of the district; adopt policies, budgets, finance reports; regulations on food service, transportation, and facilities. Establish criteria, approve and monitor instruction/curriculum. Approve personnel issues, labor relations.

● Quail Creek Republican Club | President

2019-2020

The Quail Creek Republican Club is a Chartered Club of the Quail Creek Community. During the 2019-2020 period, membership increased 150% and revenues provided opportunities for events which increased membership engagement. Dynamic speakers from across the country provided informative meetings and in spite of COVID, the Club continued with ZOOM and in-person rallies.
