

Welcome to Your Oracle Cards

These 3 printable cards were created with love to help you feel closer to your Loved Ones, your intuition, and the beautiful unseen world that surrounds you.

Each card carries a gentle message from Spirit — a reminder that you are guided, supported, and deeply loved. Whether you're having a tough day or just craving a little nudge from the other side, these cards are here to bring comfort and connection.

How to Use Your Cards

✂️ Print + Cut your cards and keep them somewhere special — in your journal, on your altar, in your purse, or tucked into your mirror.

🌀 Pull a card when you're feeling uncertain, missing someone, or just need a sign that Spirit is near.

🌙 Ask a question before you pull a card. Something like: "What do I need to hear today?" or "What message does my Loved One have for me?"

🌟 Trust what you receive. Spirit works in beautiful and mysterious ways. If a certain word or phrase jumps out at you, that's your sign. These cards are small — but the love behind them is big. 🧡

Use them anytime you need a little reassurance that the Universe (and your Spirit Team) has your back.

With love and light,
Linda
