

TERRORIST ATTACKS

In general, you should also take the following precautionary measures:

Be alert and aware of your surroundings.

Report conspicuous behavior.

Take precautions when traveling.

Do not accept packages from strangers.

Do not leave luggage unattended.

Promptly report unusual behavior, suspicious or unattended packages and strange devices to the police or security personnel.

Learn where emergency exits are located in buildings you frequent.

Plan evacuation routes in case of an emergency.

Be prepared to do without services you normally depend on - electricity, telephone, natural gas, gasoline pumps, cash registers, ATMs and Internet transactions.

Create an emergency kit for your workplace (in case you need to evacuate from work).

Work with building owners to ensure the following items are located on each floor of the building:

- * Portable, battery-operated radio and extra batteries
- * Several flashlights and extra batteries
- * First aid kit and manual
- * Hard hats and dust masks
- * Fire extinguisher
- * Fluorescent tape to rope off dangerous areas

Report suspicious behavior by calling your local police or sheriff's department.
