Dear supporters of the Richmond Fire and Rescue Department,

With great anticipation, we invite you to join us for our 3rd Annual Winter Catfish Fest fundraising event located on the Sauk River Chain of Lakes in Richmond, MN. This exciting family-friendly two-day fishing tournament will take place on February 9th and 10th, 2024. We invite your sponsorship to help make this a successful fundraising event for our 100% volunteer, 501(c)(3) Fire Relief Association. Can we count on your support?

About the Richmond Fire and Rescue Department

Today, the type of calls the Richmond Fire and Rescue Department encounters vary from commercial and residential structure fires, grass fires, medical emergencies, behavioral health emergencies, auto accidents, hazardous storms, search and rescue, haz-mat incidents, and other public safety hazards. To handle all these emergencies, the Richmond Fire and Rescue Department requires specialized training, tools, and equipment. Fundraisers, donations, and other avenues of income is how the needed equipment and training is paid for the department.

There is always an ongoing list of needed equipment to purchase; this year we are actively fundraising to purchase updated electronic medical care equipment, maintaining response vehicles and auto extrication equipment. Though these items cost several thousand dollars, we are determined to add it to our arsenal of resources to better serve our community.

How you can help

The Richmond Fire and Rescue Department truly appreciates your support. If you feel inspired to secure a sponsorship level, please do so by checking the pledge level below and mailing or emailing to the address found on the bottom of this page. Due to the timing of the event (2024/tax season) and the amount of upfront costs associated with this great undertaking, we kindly ask that you either mail your donation or sign the pledged dollar amount and return a copy of this pledge form with your contact information. Description of each level is listed on the second page.
