

To whom it concerns,

Richmond Fire Relief Association would like to ask for your support in our upcoming event. The first annual Catfish Fest on the Chain is a family focused event that brings families and friends together to enjoy one of Minnesota's favorite winter hobbies.... ice fishing! The last couple of years has posed challenges with our annual 55 Bike Rally, which is the reason we have changed our event to an outdoor, family-friendly event everyone can enjoy.

We would like to ask for your support through a monetary donation that provides advertising and marketing opportunities for your company. A sponsor receives a variety of ways to advertise your company while you support a great cause. All sponsorships dollars will go towards the purchase of a Lucas Life saving device, prizes and expenses, the device provides automatic CPR for patients, and is used to provide CPR for long periods of time with perfect compressions

We are not able to make this event successful without your support, and we value every sponsor big or small. We have several sponsorship levels and welcome any donation to support this event.

We have inserted the information about this event. Please feel free to email if you have any questions or need more information.

We look forward to your anticipate sponsorship to this unique event!
