

INSTRUCTIONS FOR ASSEMBLY

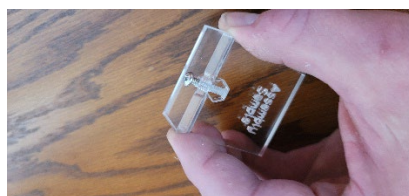

1. Carefully piece together 2 sides of your display case. Placing tab into the vacant adjacent tab.

2. Take 1 of the acrylic inserts provided with your case and slide it into the cut out, such as you would with a puzzle. Replace the missing piece.

3. Put a screw(provided) into adjacent perpendicular hole on the corresponding side and tighten. (Be careful not to over tighten, acrylic may crack)

4. Repeat on all other screw holes until case has been completely assembled.
