Gentlemen:

It is a pleasure for me to write a letter of recommendation for Mr. Jerry Berlin. Jerry was a member of our Mesa State College tennis team for two years. I found him to have a very fine attitude; he was well-liked by his peers, and I got along well with him as his coach.

Jerry was very dependable and loyal to our program. He plays a very intelligent game, and he is well rounded in the fundamentals of tennis. During the time he was a member of our team, he never created any disciplinary problems and was a pleasure to have around.

Jerry has a very pleasant personality, and he is easy to get along with. I think this personal characteristic will enable him to be successful in any pursuit that he might choose to follow.

Sincerely,

Wayne Nelson

Dear Jerry,

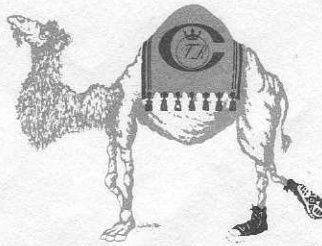

Once again the Ranch comes to a close. Through your efforts, this season was very successful. We have found Christmas time to be a welcome break from the everyday pressures...and an appropriate time to say, "Thank you for all your services and fine work at the Tennis Ranch". Please accept this bonus in gratitude for all your fine work.

Best wishes for a most enjoyable Christmas and the happiest of New Years.

Sincerely,

Mr. and Mrs. John C. Gardiner

To Whom It may Concern,

I am the Head Pro at John Gardiner's Tennis Ranch in Scottsdale, Arizona.

Jerry Berlin informed me that he needs a letter confirming that he will be transferred from the John Gardiner's Tennis Ranch in Scottsdale to the John Gardiner's location in Carmel Valley, Ca. for the summer of 1988. Jerry will be required to leave Scottsdale on or about April 19th, 1988 to arrive at and start work in California immediately thereafter.

John Gardiner's operates six tennis facilities throughout the United States and this is a standard operating procedure to transfer pros out of the hot Phoenix summers and into more moderate climates.

If you have any questions regarding this letter please contact me at (602) 948-2100 extension 306.

Thank You,

A handwritten signature in cursive script that reads "Bill Van Deine". The signature is fluid and stylized, with the first and last names being the most prominent parts.

TO WHOM IT MAY CONCERN:

Jerry Berlin worked in the City of Grand Junction's tennis program as an instructor during the summers of 1973, 1974, 1976 and 1977.

Jerry has been an enthusiastic employee and has been dependable and conscientious.

We are pleased to have Jerry back as a tennis instructor this year.

Sincerely,

Lynda Lovern
