Infinity Countertops

Ultimate Durability

Infinity **Sintered Stone** is the premier choice for outdoor surfaces, engineered for exceptional resistance to the elements.

Extreme Resistance

Highly resistant to heat, UV rays, moisture, and extreme weather. Non-porous surface prevents stains and eliminates the need for sealing.

Low Maintenance

Designed for longevity with minimal upkeep, making it the ideal sustainable choice for outdoor living.

Teca Outdoor Kitchen Cabinets

Natural Protection

Teak wood is naturally equipped with oils that protect it from moisture and rot, making it a great choice for outdoor kitchen cabinets.

Eco-Friendly Choice

Choosing reclaimed teak is a stylish and sustainable option, helping to preserve natural forests and reducing demand for new trees.

Graceful Aging

Teak develops a stunning silver-gray patina over time. Regular maintenance with teak oil can preserve its original golden-brown hue and distinctive grain patterns.

Premium Hardware & Components

Stainless Easy Close Hinges

The ideal choice for outdoor environments, these hinges are highly resistant to rust and corrosion. Their superior durability allows them to withstand harsh weather conditions that often damage other metal materials.

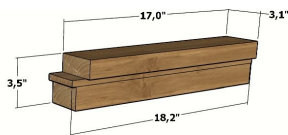

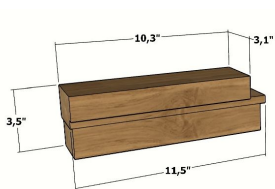

Removable Legs

Features a rust-resistant Stainless Steel insert, providing the versatility to upgrade to SET4SC Commercial Grade Stainless Steel Casters for enhanced mobility.
