Spring/Summer 2022

Established by
community members in
1971, we are a 501C3

focused on serving the
Locust Community.

Today LCVFD
responds to over 200
emergency calls per
year, consisting of
various fire, medical,
and other emergency
situations.

We couldn't do this
without the service of
our volunteer
firefighters as well as
the continued support
of the men and women
in our
community!

Dear Neighbor,

As a current resident or property owner in our community, the LCVFD is your licensed "First Responder" in the event of a fire or medical emergency. For every one of our volunteers, it is our passion and pride to respond to your emergencies 365 days a year. It is an honor for us to serve the people of the Locust Community, and your donations allow us to continue to make an impact when emergencies occur. Every person who gives is making a difference in our community and ensuring peace of mind for themselves and their family. We are calling for your support to ensure these firefighters have the appropriate vehicles and equipment to respond with when one of our neighbors are in danger. Please help us meet these most pressing needs. Donate today and show your support for the men and women who are there when you need them most!
