

Certification course begins:
April 3, 2018

What to Expect:

- Assist members in placing their wait-list requests for a resort that is currently unavailable.
- Offer members alternative vacation options if their first choice is unavailable.
- Sell membership packages by advising members of the features and benefits of the Core, Gold, and Platinum levels as well as all Interval products.
- Solve member concerns for first call resolution, ultimately avoiding escalation.

What can be more fun than helping Interval's members with their next vacation! Check out their website!
