

2025 CALF OFFERING

The Sanzenbacher Ranch, a Texas historical ranch, has produced high quality calves since 1873. Baldwin Agriland is proud to carry on that tradition since 1978.

FOR SALE:

Three loads of steers and two loads of heifers. Buyer chooses from approximately 227 steer & 164 heifer calves. Gross weight average estimated at 725 & 675. Buyer has the option to purchase remaining merchantable calves. Delivery on or about June 26, 2025.

DETAILS:

Located 90 miles northwest of Fort Worth, Texas.

Calving began around September 1 and lasted 90 days with most born in the first 60 days.

Calves are out of black and black baldy cows bred to reputation ranch Charolais & Angus bulls. Bull EPDs for weaning weight, yearling weight and ribeye are consistently in the top 10% of the breed.

Approximately 10% of the calves are black hided.

Over the last 10 years, steers have an average daily gain of 2.5 pounds and heifers 2 pounds on native pasture. The average weight of steers sold over the last 10 years is 710 pounds and heifers is 658 pounds.

Cattle will be gathered early, sorted then weighed on ranch scales. 2% shrink with \$.10 slide.
