“

Tushar has great vision and knowledge of Startup ecosystem in India. I did enjoy his last persecution with IPV group, and I found it very Interesting. Tushar's network expands from the MENA to Far East with well established network and partners.

Nasser Al Kawari, ex-CEO, Exxon
Mobil Africa

<https://www.linkedin.com/in/nasser-alkawari-219a002b/>

“

Tushar is an incredible investor and has his finger on the pulse of the startup ecosystem. He is a go-to guy for Indian Companies looking for someone with the drive, determination, network and experience to advise and guide companies. I highly recommend him.

Gary Fowler, Founder, GSD
Venture Studios

<https://www.linkedin.com/in/fowlerinternational/>

“

Tushar is a must have advisor. He knows his trade! With his detailed analytical thinking, he is able to filter what you need, give you the right advice and put you in touch with the right connection. Above all, he is reliable & focused to get you the needed results.

Jose Graca,
Bizmoni Group

<https://www.linkedin.com/in/josegraca/>

“

Tushar is a visionary leader with a clear understanding of business nuances. He goes into the depth of each aspect and questions all business assumptions thus leading to a solid foundation of projects. He is very supportive in nature, and it was a pleasure working with him.

Saurabh Singh,
Trifecta Cap
