

Training Class Policies

1. All dogs participating in training classes must provide proof of current vaccinations prior to participating in any training class with The Clever Canine. Vaccinations must remain current throughout the entire training package and must include Rabies, Distemper/Parvo, and Bordetella.
2. Payment must be received prior to the first class. I understand that my training sessions may last between one class and six or more classes, depending on the training goals I have, and that payments are non-refundable once class begins. I also understand that all lessons purchased must be scheduled and completed within six (6) months of the purchase date.
3. There must be at least one dog handler for each dog attending class. All dogs attending class must be able to be safely controlled by the dog's handler. If a dog is not able to be safely controlled in class, the dog may be dismissed for the remainder of the classes without a refund. Children aged twelve (12) and older are permitted to be dog handlers if they are able to safely control the dog and if a parent or responsible adult is also present. If you have questions about what is required to meet the safe handling requirements before signing up for class, please ask.
4. Your dog must be in good health or, if your dog has been ill with, or exposed to, any communicable disease within ten (10) days prior to bringing your dog to train with The Clever Canine, you must provide a written release from your veterinarian. If in group classes, all dogs are also required to be free of ticks and fleas in order to participate in training classes.
5. You agree to be responsible for yourself, your guests and your dog and to indemnify and hold The Clever Canine harmless from all costs, damages, judgements and expenses including, but not limited to, reasonable attorneys' fees, incurred by The Clever Canine arising out of any investigation, claim, demand or cause of action arising, directly or indirectly, wholly or in part, from any conduct, activity or act of you, your guests or your dog while with The Clever Canine or any event sponsored by The Clever Canine, or your failure to provide complete, accurate and timely information to The Clever Canine about your dog.
6. You are responsible for any damage or injury caused by your dog to any person or any property while your dog is with The Clever Canine. The foregoing notwithstanding, IN NO EVENT WILL THE CLEVER CANINE BE LIABLE FOR CONSEQUENTIAL, EXEMPLARY, SPECIAL, INDIRECT OR INCIDENTAL DAMAGES, it being specifically agreed that no consequential or incidental damages are within the contemplation of the parties for breach of any part of this Agreement. It is further specifically agreed that The Clever Canine has no knowledge or reason to know of any general or particular requirements or needs of you or your dog which could give rise to consequential or incidental damages.
7. Photos and videos of the dogs in training class may be used on The Clever Canine website, social media, displays or in other marketing materials. You consent to our use of your dog's image, likeness and name in such marketing materials. All photos and video images are the property of The Clever Canine and may be used by you with prior consent.
8. All dogs are required to attend class on a 6 (six) foot leash attached to either a well-fitting collar or harness. Choke chains, prong collars or electric collars are not permitted in class.

The Clever Canine operates as a dog training business.
