

Anchoring and Walking Your Medicine

06

Design Your Personal Purpose Map so you can manifest your gifts and walk your unique medicine in the world.

Congratulations on arriving to the 6th month of the program!

This month we will be focused on weaving all the pieces that you have been growing so that you can step into the world walking your medicine in a new, beautiful and powerful way.

You will:

- Create your Personal Soul Signature Map
- Bring the Vision down to physical steps
- Identify any places of resistance or derailment and learn how to work with them
- Anchor your Energetic Shifts so that the change is sustainable and keeps growing
- CELEBRATE!!

Soul Signature Star

Fill out each point of this star with the elements that you have been growing over the last 5 months.
