Who Are We and What Do We Do?

The Sky-Hi Retreat Property Owners Association was created to protect the value of this unique and serene rural style community. It also fosters such things as beautification, maintenance, social benefits and renovation in our community.

The general membership and management of the community is voluntary. All persons who own property in Sky-Hi Retreat are welcome to join the Association. The general management of the Association falls upon the shoulders of the Board of Directors, which is made up of volunteer property owners. Elections for board members are held at the annual Association meeting held the first Saturday in August.
