Format of Play

1. Game Length:	<u>Pool Play</u>	<u>Quarter-Finals</u>	<u>Semi-Finals</u>	<u>Finals</u>
Varsity	80:00	80:00	80:00	80:00

2. Most groups will be organized in groups of eight with winners of each game advancing and losers moving to a consolation bracket. All consolation games end as ties (= no pk's). **First round & semifinal games ending in ties will be reported as ties on the respective teams' records**, but go straight to NFHS kicks from the mark for advancement purposes only. **Varsity championship games ending in a tie will consist of two ten (10) minute overtime periods (sudden victory) periods and the final match result and the final score will stand as the result of record for both teams, with one winner and one loser.**

For those teams engaged in groups where standings are necessary, standing will be determined by points awarded as follows:

- | | |
|-----------------------|---|
| 6 points for each win | 1 point for each goal (maximum of 3 per game) |
| 3 points for each tie | 1 point for each shutout, including 0-0 ties |

Deduct one point per red card per player/coach. Team with highest point total wins group.

*Ties in standings will be resolved as follows:

- a. Winner in head-to-head competition.
- b. Goals allowed
- c. Difference between goals scored & allowed (i.e.: 5 scored minus 4 against = +1).
- d. If required to determine advancement to Quarterfinal or Semifinal games, a kicks from the mark shoot-out will be held fifteen minutes prior to the start of the scheduled Quarter-Final or Semi-Final game or next scheduled match involving the two tied teams (whichever occurs first).

In these groups, semi-final matches tied after regulation will also officially be recorded as ties on

the record. Advancement will be determined via NFHS kicks from the mark, when necessary. Normal substitution rules apply to overtime periods.

3. All teams are guaranteed 3 games.
