"Excellent Attorney To work with! I worked Mark on a case against a home builder with access to a big war chest in tune of \$millions that dragged on for about 2 years. His research and understanding of the case was exceptional. He knew page by page of thousands of documents. He treated the case like he was the actual plaintiff. After two years and a counter claim that could have cost us several thousands, the case settled out of court in our favor. We are highly grateful for his persistence, patience and knowledge thru it all."

"Mark Sanders is the best! We were in a very sticky situation. and Mark got it settled satisfactorily. It was a real estate lawsuit where we were the landlords and the renters sued us. The settlement was 10 cents on the dollar, and we were very pleased. We have recommended Mark to our friends and neighbors."

"We recommend Mark Sanders Mark achieved excellent results for us on 3 different matters so far. He is excellent in the courtroom, excellent with research and is an excellent communicator. We were in a desperate situation and didn't know a lawyer. My mother-in-law's best friend recommended him. He will also do a great job for you!"

The legal services provided by Mark Sanders for a recent Real Estate transaction were Superb. I live out of state but needed an attorney in Houston, Texas. When I initially called & left a message for Mark, he responded within a few hours. He answered all of my questions & clearly explained what services he could provide. Once I decided to use his services, he followed through with every step until completion. He was always available for questions & never left me hanging. I would definitely contact Mark again if needed & would highly recommend him to anyone requiring legal advice &/or services.
