CD - CAC TRAINING TRACKING SHEET – 27 CREDITS

This record is for individuals interested in the Chemical Dependency (CD) field who **only** want to fulfill the CAC = Certified Addiction Counselor requirements as mandated by the South Dakota Board for Addiction and Prevention Professionals (SD-BAPP).

The goal is to provide focused CD training. It is assumed academic readiness is present, meaning the student has, minimum, college level English and Psychology. If this background is missing, the student will be required to take Block A, EN 101 and PY 100, before or concurrent with Block B, CD 211 & 221 classes.

A minimum grade of “C” is required in all classes for progression and completion.
