Scholarship Search Information

The following information is prepared for students who are interested in pursuing other possible scholarship funding. Remember that funding is competitive and only those students who meet the criteria will be considered in most cases. Attending classes and getting good grades are a mandate if you want to be successful. There is funding available, but you must be willing to search for it and you must be committed to your educational goals.

☞ Begin with these sites, which will help you learn how to do a scholarship search as well as preparing for one. You should read, prepare yourself, and develop a search plan before you begin. How well you prepare yourself will affect how successful you are.
