Logistics and Distribution Center Solution

ABOUT OUR SERVICES :

Yahbb Logistics specializes in logistics and distribution for B2B and e-commerce clients.

We offer various services including distribution, storage, warehouse management, inventory control, order processing, cross-docking, and transloading.

Distribution

Our distribution network is a great complement to our distribution center. You can use it to easily deliver your products to your end customers, whether they are at a DC, wholesaler, retail store or directly to the end customer. We can handle full truck loads or parcel delivery.
